

Onaway Friends of the Library organized in August, 1990 to support the Onaway Branch Library staff, to promote use of the library, and to raise funds for library needs.

Members volunteer time, talent and energy in fundraising activities and special events throughout the year at the library. Yearly efforts include support for literary activities and presentations by authors, enrichment activities for children and adults. We have First Tuesdays programs, Books for Babies for new born babies in our area, high speed computer availability, classes for computer education, and involvement in the Adopt a Highway program. We have worked with the Courthouse Restoration Group, the Presque Isle District Library Director and the Library Board to make a new library location possible. January, 2001 this became a reality. The Onaway Branch Library is now housed in the lower level of the Onaway Courthouse.

Donations to the Memorial Book Plan place volumes in the library in memory or in honor of a special person. Special memorial gifts provide funds for other library needs.

Everyone is encouraged to join the Friends and take part in our activities and programs. We meet the third Thursday of each month at 11:00 a.m. in the library. We are a diverse group of people with a common goal of promoting and supporting our library and its staff.

Come join us.
